COURSE SYLLABUS

Engelska: Introduktion till akademiskt skrivande G1N
English: Introduction to Academic Writing G1N
4.5 credits

1 Name, Scope and Level of the Course
The course is provided by the University of Skövde and is named English: Introduction to Academic Writing G1N. It comprises 4.5 credits and is on basic level. The level of progression of the course is G1N.

2 Objectives
After completed course the student should be able to:

- write academic texts in English with regard to linguistic correctness, structure, style and clarity
- refer to the texts of others in academic text and compile a consistent reference list
- discuss and compare others’ academic texts
- apply regulations against plagiarism when writing academic English

3 Course Content
The course treats the characteristics of academic texts with regard to structure, style and clarity. One part of the course is devoted to linguistic correctness, mainly on the level of sentences and texts. Instructions on how to avoid plagiarism is provided. The students are given the opportunity to discuss and compare some academic texts.

4 Forms of Teaching
The teaching comprises lectures and seminars/group discussions.

The teaching is conducted in English.

5 Examination
The course is graded G (Pass) or U (Fail).

Students with a permanent disability who have been approved for special educational support may be offered adapted or alternative examinations.

6 Admission Requirements
The special prerequisite for this course, besides basic eligibility for university studies, is field eligibility A2/2: English B (or the equivalent).

7 Subject, Main Field of Study and Disciplinary Domain
The course forms a part of the academic subject area of English. The course is not a part of any main field of study at the University of Skövde. The disciplinary domain of the course is the Humanities.

Every course at the University of Skövde belongs to a subject. The division of subjects is used for follow-up and quality assurance. A main field of study is an area in which a degree can be awarded. Disciplinary domain is a division which is used by the government for the allocation of resources for studies at basic level and advanced level.
8 Approval of Course and Course Syllabus
The course was approved by the Curriculum Committee for Health on 27 February 2019. This course syllabus was approved by the Curriculum Committee for Health Sciences on 28 August 2019. It is valid from 1 July 2019 and replaces the course syllabus approved 27 February 2019.

9 Overlapping with Another Course
This course cannot constitute a part of a degree also containing a course the content of which is totally or partly equivalent to the content of this course, e.g. English: Academic Writing G1N 7.5 credits

10 Additional Information
Further information will be available on the university’s website before a course is given.

National and local regulations for higher education are available on the university’s website.

Upon completion of the course there will be a follow-up. The main purpose of this follow-up is to contribute to improvements of the course. The students’ experiences and views constitute one of the criteria for the follow-up and are gathered by means of course evaluations. The students will be informed of the results of the follow-up and any decisions regarding actions that are to be taken.

11 Course Literature and Other Educational Materials

Supplementary material provided by the teacher on the learning platform.
