1 Name, Scope and Level of the Course
The course is provided by the University of Skövde and is named Marketing Management II G1F. It comprises 7.5 credits and is on basic level. The level of progression of the course is G1F.

2 Objectives
After completing the course the student should be able to:

Knowledge and understanding
- exhibit understanding of modern strategic marketing theory and practices by explaining, comparing and exemplifying them.

Skills and abilities
- apply theories, concepts, models and methods for marketing planning,
- analyze an organization’s conditions and the meaning of the marketing environment in connection with the application.

Judgement and approach
- motivate and argue for the choice of theories and the approach,
- reflect and evaluate the choice of theories and the approach.

3 Course Content
The overall aim of the course is to develop students’ knowledge in strategic marketing planning in modern market environments. The course tackles modern marketing perspectives with focus on emerging perspectives in marketing theory and practice. The course engages in an approach to marketing planning and offers insights in the areas of relevance for modern marketing managers, such as changes in the consumption landscape, modern consumer behavior, social media marketing, new perspectives on branding, and sustainability issues, among others. In this manner, the course represents a continuation of classical and modern marketing perspective introduced in the basic marketing course.

4 Forms of Teaching
The teaching comprises lectures, supervision, group assignments as well as seminars that include critical review and reflection.

The teaching is conducted in English.

5 Examination
The course is graded A (Excellent), B (Very good), C (Good), D (Satisfactory), E (Sufficient) or F (Fail).
